AYU Dayclub, part of Zouk, the global nightlife brand from Singapore, launched at Resorts World on July 1, 2021. Just knowing it's part of Zouk tells you AYU is fun and exciting. Since Zouk is a French Creole word for "party," it only makes sense to open venues in "the party capital of the world." AYU has become one of the most popular daytime destinations in Vegas. Self-described as "an outdoor oasis inspired by the beauty and harmonious atmosphere of Southeast Asia's idyllic islands," it spans 41,000 square feet of pool and party space on two levels with a guest capacity of 2,874. It is filled with daybeds, Chaise lounges, couches, and tricked-out cabanas. Musical programming is by DJs Zedd and Tiësto, performing throughout the year, and other well-known headliners. Booking bottle service is the best way to get the full VIP experience and be sure you are donning swim attire; you won't gain entry otherwise.

The Drai's brand values the fundamental principles of sophistication, innovation, and authenticity so it comes as no surprise that Drai's Beach Club would challenge the idea of a "conventional" beach club. With an unrivaled view of the entire Strip and greater Las Vegas from the 11th floor of The Cromwell hotel, Drai's Beach Club is the only rooftop beach club that has multiple pools that are all shaded by towering palm trees.

The 35,000 square foot venue is as luxurious and elegant, as it is a refreshing daytime party experience. With more than 20 daybeds, seven pools, and one large DJ booth, Drai's is a Vegas getaway unlike any other, offering a beach-like pool party right above one of the most famous intersections in the Sin City.

If Alice stopped by a pool party while she was in Wonderland, it'd probably look a lot like Encore Beach Club.

Although the vibe at Encore is inherently sexy, you'll also be surprised at how low-key it is at the same time. This venue is less like doing keg stands at a frat party and more like lounging in beachy South France.

Encore Beach Club has 24 private cabanas with exceptional hotel-room amenities such as flat-screen TVs, refrigerators, and views of The Strip from secluded balconies. And if you want to go inside and away from the sun, Encore has you covered - literally. Enjoy an array of gaming and world-class restaurants just a few wet steps away from the lily pads.

TAO Beach Club is new and improved, and it's finally about to open to the public! If you love the legendary Las Vegas daytime scene, you will love the reimagined TAO Beach Club. It features a state-of-the-art sound and lighting system, a brand new DJ booth, 21 luxury cabanas, seven VIP cabanas, including individual private plunge pools – pools designed specifically for wading and lounging, with unobstructed views of the entire pool deck. As part of this elevated experience, guests can feast on oversized sushi boats, seafood towers, sashimi carved tableside, and more. Leave it to TAO to redesign a beach club that offers both a nightclub atmosphere and a restaurant vibe. I wonder how they came up with that concept!!
